CALLING ALL RESIDENTS

**COMMUNITY EVENTS WILL NOT
BE ABLE TO CONTINUE IF WE DO
NOT GET YOUR HELP!**

We have a very short list of volunteers and can't expect the same people to help out all the time.

If you enjoyed past events and would like to see them continue we need you to volunteer.

A special thanks goes out to all those that have been helping out but we need new faces. We **can't** run events without **you!**

Call Kathy at 893-0975 to share your ideas or be placed on a volunteer list.

LETTER FROM CHAIRPERSON

The summer carnival was a huge success once again. We were disappointed that we weren't able to have a corn roast. Our problem is lack of volunteers. It appears that the same few people work at all the events. With all of the new neighbours moving into the sub-division there must be some people who would like to come forward and participate. Fresh ideas and people who will give an hour or two of their time to help out with just one event per year is all we ask. Please phone our volunteer co-ordinator if you can help.

If there are any high school students out there, these events are perfect to accumulate your volunteer hours needed at school. We do qualify as a non-profit organisation.

We hope that all our new and old neighbours enjoy our newsletter and if you wish to contribute please call 747-1079.

We hope to see everyone at our semi-annual meeting on October 18, 2000 at 7:30 p.m. at Christ Lutheran Church.

Thank you
John Elliot

Waterloo Communities in Bloom

Last year we received a tree from Waterloo Communities in Bloom for the Neighbourhood Association. This was donated to our Annual Summer Festival for one of the draw prizes. This year we received a \$50 gift certificate from Home Depot. Congratulations Eastbridge! The results for the national competition won't be known until October. We will use the \$50 gift certificate to purchase tulips for planting scheduled for Saturday, October 28th. Watch for more information posted in the Kiosks for the time and location of the planting. Come out and join us.

Fountain Survey

The results of the fountain survey are in. We had a very favorable response. Twenty letters went out and we received a reply by sixteen. Only two households had a negative opinion regarding the fountain.

I would like to thank all of you for your input to this survey. The fountain will remain.

Sincerely

John Elliot,
Chairperson
